I. The following Budget Estimates for 1895-96, were read:—

(1) Consolidated Budget Estimate of Receipts and expenditure;

(2) Statement showing the assets upon which the Local cess has been calculated;

(3) Details of original works proposed to be executed by the Public Works and Revenue Departments.

4

(4) Details of allotment of expenditure on repairs to be executed by the Public Works and Revenue Depart-ments;

(5) Statement showing the details of civil charges;

(6) Statement showing the Talukwar Receipts and expenditure;

and (7) Statement showing the names of musafarkhana-s and 3rd Class Travellers' Bungalows.

II Estimate of Receipts:—

(1) The estimate of re-ceipts under one-anna cess, amounting to Rs 54,644, has been calculated upon the demand under "Land Revenue" and "Miscellane-ous" for 1893-94. The in-crease of Rs 500/- under this head, over the estimated income of 1894-95, is due to a corresponding increase in

in the Budget Estimates under Land Revenue and Amanaji.

(2) The estimated income under the other items, such as, "Fines for cattle trespass", "Sale of straw cattle" &c., has been based upon the actuals for 1893-94.

(3) As the question of crediting the income realised from "Tolls" to District Funds, is yet under correspondence, no receipts are provided for under this head.

(4) The question of the transfer of certain 3rd class Travellers' Bungalows from District Funds, to Provincial Funds, is under correspondence. Pending final orders on the subject, the probable collections on account of fees from the Travellers' Bungalows, viz.,

viz., Rs. 70/-, are entered in the estimate.

(5) The estimated income from Miscellaneous Revenue amounts to Rs. 1346 and is based upon the actuals for 1893-94.

(6) The total estimated income for 1895-96 from all sources is thus Rs. 62,060. Adding to this, the probable unexpended balance, viz., Rs. 30,900, as noted in the margin, the sum available for expenditure during 1895-96, may be put down at Rs. 92,960.

* Actual balance on 1st July 1894 Rs. 55,061
Estimated Receipts for 1894-95 " 56,578
Total Rs. 1,11,639.
Estimated expenditure for 1894-95 " 80,819
Balance on 1st July 1895 Rs. 30,820.

III Expenditure :— The statement of works to be carried out by the Public Works Department, was then taken up by the Board. Under original works two new ones, viz., 'Surfacing the Chamarajnagar-Narsipur road,' and 'improving

'improving the Hassan-Periapatam road', were proposed by the Executive Engineer. Both these roads were stated to be in a bad state, and in need of repair. The total outlay, required for the two roads, is estimated at Rs 29,495 and Rs 7000/- respectively; but it is proposed to spend Rs 15000/- and Rs 2000/- in the year 1895-96. A provision of Rs 5,500/- has also been made for the old works that may be left incomplete, at the close of the current official year, (1894-95) and Rs 1000/- under 'Reserve' grant for minor works.

Thus, the total estimated expenditure under "Original works, D. P. W." stands at Rs 23500/-

It was proposed by

(2) Repairs by the D. P. W: The annual maintenance of roads.

9 7

by the Executive Engineer, that the mileage rates for the under-mentioned works should be raised, as experience has shown, that it is impossible to maintain them in fair trafficable order, all the year round, at the present mileage rates in consequence of the steady increase of traffic year after year, and the additional wear and tear of the roads.

10 8

	From Rupees	To Rupees
Seringapatam - Socile - Sivasamudram road.	50	60
Hampapur - Ramanatha - pur road.	50	60

Chamarajnagar - narsi - pur road.	40	100
Frazerpet - Bettada - pur road.	40	50
Hassan - Periyapatam - Cananore road.	50	100.

After some discussion, the President, pointed out that the present state of the funds would not admit

admit of a permanent increase of the grants for all the roads, and suggested that it would be better to undertake special repairs when necessary, of such roads. The Executive Engineer agreed to this proposal, but with the amendment that the mileage rates of the *marginally noted three roads, should be permanently raised, as it is quite impossible to maintain them at the present rates. This amendment proposed by the Executive Engineer, was then passed by the Board. The total annual grant for maintenance of roads, was thus raised from Rs. 19,715/- to Rs 20,675/-, shewing an increase of Rs 960. Under "Reserve grant, for annual maintenance of

* 1. Mysore-Talkad-Sivasamudram road, (33 miles), from Rs 50 to 60.
2. Chamarajnagar-Narsipur road, (21 miles), from Rs 40 to 60.
3. Hassan-Periapatam-Cannanore road (21 miles) from Rs 50 to 60.

of roads" and "Reserve", a sum of Rs 15-10 and 5-00 respectively, was also provided, making the total estimate under "Repairs" Rs 2 2,685/- against the sanctioned estimate for 1894-95 of Rs 19,715/-.

(3) Establishment :— An allotment of Rs 10,000/- was made for establishment, being at the rate of about 2½ per cent on the cost of works.

(4) Tools and plant :— The Board approved of a provision of Rs 15-0/- under this head, as against Rs 100/- sanctioned in 1894-95.

The aggregate expenditure, estimated for, under all heads of works to be carried out by the Public Works Department, stands as noted below:—

Original works – Rs 23,500
Repairs – – – – Rs 22,685
Establishment – Rs 10,000
Tools and plant – Rs 150

Total Rs 56,335

III
(B) Public works to be carried out by the Revenue Department.

The Amildars, and the non-official members, suggested works at a total cost of Rs 23,054 for execution in the Revenue Department, during the ensuing year — vide lists A and B. But, as the necessity for each work had to be decided after local enquiry, the Board resolved to defer the adoption till such information was furnished, and to allot a lump sum grant of Rs 9000/- under this head. Out of this allotment of Rs 9000/-, Rs 4000/- are intended for 'original works', Rs 3000/- for 'Repairs' and Rs 1100/- for 'Minor works'.

In

In order to provide for the effectual professional direction, and supervision of the works, a sum of Rs 900/- was allotted under "Establishment," to meet the cost of temporary mestris, at a charge of about 10 per cent, on the estimated amount of works to be executed.

III (C): statement of Civil charges.

The estimate of Civil charges, amounting to Rs 22,698, being 324 Rupees less than the sanctioned Budget Estimate, for 1894-95, was read, and approved. The modifications made in the proposed estimate are chiefly these:—

(1) Under "Establishment", Rs 24/-, at 2 Rs a month, has been provided for contingent charges of the District office establishment, chiefly

chiefly to cover the cost of binding books of proceedings, and purchase of blank books, &c. The amount of Rs 80/- under "Furniture", has been omitted; and the provision for the travelling allowance of the statistical clerk has been reduced from Rs 50/- to Rs 30/-. There is thus a saving under "Office Establishment", of Rs 76, as compared with the estimate for 1894-95.

(2) Under "Hospitals and Dispensaries" there is an increase of Rs 333, consisting of a provision of Rs 60, at Rs 5 a month, in the charge allowance of the Hospital assistant, at Sangur (as sanctioned in Government order No. 12327-9 L.F. 268-92 dated 15th February 1895), and of a provision of Rs 273/- made to meet the cost of additional furniture required

required for all the Local Fund Dispensaries as per Senior Surgeon's docket No. 1749, dated 2nd February, 1895.

(3) An additional provision of Rs 420 has been made to meet the pay of the mid-wives, newly employed at T. narsipur, and Heggad-devankote, on Rs 15, and 20 respectively, while there is an increase of Rs 90 in Chamarajnagar, as the full cost of the midwife has to be met from District funds. All the Taluks of the District proper will now be provided with a midwife at a cost of Rs X or an increase of Rs 510/- over the sanction-ed estimate for 1894-95. No necessity has been felt for employing more than one midwife in any taluk at present, and it was decided to make no provision for training mid-wives.

(4)

17

(4) Under "Travellers' Bungalows", a sum of Rs 3000/- is entered against Rs 1380/- in the previous year's Budget. The excess, viz., Rs 1620/-, is due to the transfer to Local Funds of the cost, amounting to Rs 1416, of all the 3rd Class Traveller's Bungalows to the District Funds, as per Government order No. 15602-11, L.F. 322-92, dated 19th March, 1894, and to a provision of Rs 204, for supplying vessels &c. to the Bungalows.

(5) The provision of Rs 2,443 made in the budget for 1894-95, under "Contribution", has been omitted, as the question of constructing a Dispensary at Nawjangode, is under abeyance, owing to the prohibitive cost of acquiring proper sites for it.

18

(6) There is a decrease of Rs 38/- in the usual provision for purchase of Amrut Mahal bulls, under "Miscellaneous" as the price of the bulls has been reduced from 87½ Rs to Rs 75/- — vide Govt: Pro: No. dated

IV Summary:— The following is a Summary of the estimated Receipts, and Expenditure for 1895-96, as passed by the Board:—

V Further Resolutions of the Board. }:— The following resolutions

resolutions were also pass-
-ed by the Board at the meet
-ing:—

V (1) maintenance of Hunsur-Begur road.

Read docket no. 6020/420, dated 23rd December, 1894, from the Executive Engineer, Mysore Division, stating that the Budget allotment for 1894-95, for the maintenance of the Hunsur-Begur road, is Rs 2,760, whereas the estimate prepared according to requirements, comes to Rs 3,128, and requesting sanction to the excess amount of Rs 368.

Resolved, that the excess amount be passed, to be met from the Reserve allotment of Rs. 1,785, under D. P. W.

(2) Complaints against the midwife at Hunsur.

Read letter no. 248, dated 14th November, 1894, from the Senior Surgeon, bringing to notice complaints

20 18

Complaints against the mid-wife, at Hunsur, and re-commending her transfer from the place.

In this connection, the Amildar's report received to the same effect, was read, and the Board resolv-ed that the midwife, be transferred from Hunsur.

(3) Proportionate share of the revenue from Tolls to the provincial and District Funds.

Read letter No. 5972, dated 4th December 1894, from the Chief Engineer, inviting the opinion of the Deputy Commissioner, in consultation with the Executive Engineer, and District Fund Board, as to the proportions in which the revenue realized from tolls, should be divided between the Provincial revenue and the District funds, with reference to Government order No.

No. 18107–8, dated 26th April
L.F. 190-93
1894

It was explained to the Board, that the revenue thus derived, was meant by the D. P. W. to be divided between the Local Funds and the Provincial revenue, in proportion to the respect-ive lengths of District Funds and Provincial roads in the District Proper, the calculation being so made, as to give for one mile of the Provincial road, the same amount as for two miles of the District Funds road. In modification of this view, the Board was unanimously of opinion that the revenue should be divided in equal proportions, between the Provincial and the District Funds, and resolved that the Chief Engineer, be request

requested to obtain sanction of Government accordingly.

(4) Comptroller's objection to the employment of a waterman at Kakankote after a period sanctioned by Government.

Read Comptroller's objection to the employment of a waterman at Kakankote, for a period of 2 years, and 4 months, after the expiry of the period of 6 months, sanctioned by Government in Pro: No: dated and the correspondence on the subject.

It was explained that the services of the waterman were found necessary, on account of the Kheddah operations, and Shikari expeditions of the Viceroys, and that the previous sanction was not obtained by the amildar, owing to oversight of the fact, that the man had been sanctioned for only 6 months.

The

21

The Board resolved that, under the circumstances, the sanction of Government be obtained for the Disbursement of pay to the watchman for 28 months, at Rs 6 per month, the provision being met from savings in the Current year's budget.

(5) Irregularity and negligence on the part of the pound-keeper at Govadegere.

Read Hunsur Taluk Amildar's report, No. 217, dated 4th December, 1894, stating that the pound-keeper, at Govadegere, has not kept the pound in proper repair, and that he has failed to credit the realizations from fees and fines, regularly into the Treasury, and recommending the dismissal of the present pound-keeper and the entertainment of a new man.

Resolved that the

The Amildar, be informed, that the Patel should be ex-officio pound-keeper, and it was not desirable to nominate others to the office in villages, and that he was competent to punish him for neglect of duty by fines or suspension &c.

(6) Godown at Sante' Marahalli.

Read proposal from Mr. Anuble' Annaiya Pundi, member, for considering the plan of the godown, to be constructed at Sante' Marahalli, and nominating a committee for giving effect to the resolution of the Board, at the meeting held on 8th January 1894.

Resolved, that in modification of the Resolution of the Board, in the meeting held on 30th Nov.

November 1894, Mr. Wheeler, Assistant Engineer at Nanjangode, the 2nd General Assistant Commissioner, the Amildar of Chamarajnagar, and Mr. Amble Annaiya Pundit, be appointed to form the Committee.

(7) Removal of the Chuttram at Benderawadi to Kowlandi.

The same gentleman proposed that the Chuttram at Benderawadi, be transferred to Kowlandi, as it would prove more beneficial to the travellers as Kowlandi is situated at the junction of the roads, to Chamarajnagar, and Gelandur.

Resolved, that the consideration of the proposal be deferred, till a suitable building is erected at Kowlandi.

(8) Sweeper for the Musafarkhana near the old Bidari, Chamarajnagar

Read Chamarajnagar Taluk Amildar's report

report no. 152/132 dated 26th December, 1894, requesting sanction to the entertainment of a sweeper on Rs 5/- per mensem, for the musafarkhana, constructed near the old Bidadi.

Resolved that sanction of Government be obtained for entertainment of a sweeper on Rs 5/- per month, temporarily, for one year, subject to report at the end of the period as to the necessity for a permanent sweeper.

(9.) A new road near Gargeswari to connect the Mysore-Talkad and the Mysore-Sivasamudram roads.

Read proposal from Mr. Srirangachar, Jodidar, for the construction of a road, near Gargeswari, to connect the Mysore-Talkad road, and the Mysore-Sivasamudram road.

Resolved, that, as the estimate

estimate for the work is under preparation in the Executive Engineer's office, the same might be expedit-ed.

(10). Extension of the Mysore Talkad road (joining Srirangapatam-Sivasamudram road) to Budan-halli, Bokalgere &c.

The same gentleman proposed, that the road under construction leading from Mysore Talkad road, through Ramanathpur Hundi, Srirangapatna &c. to join Srirangapatam-Sivasamu-dram road, might be ex-tended to Budanhalli, Bokalgere and on to Mala-valli.

Resolved, that the Amil-dar, be requested to get it done as a village road, by the villagers.

(11) Widening of the branch road, in the Seringapatam-Socile-Sivasamudram road, leading to T. Narsipur.

The same member also proposed, that the branch road, near the 23rd mile of Seringapatam

Seringapatam-Socile-
-Sivasamudram road,
leading to T. narasipur,
might be widened so as to
admit of two carts passing
at the same time.

Resolved, that the ques-
-tion be deferred for the
present.

(12). A new road along the Kapila to Con-
-nect the Mysore Talkad and the Nanjangode narasi-
-pur roads.

Read proposal from
the same member, for
the construction of a
road, from the right bank
of the Kapila river, to
connect the Mysore-Tal-
-kad road, and the Nanja-
-gode-narasipur road.

The President,
explained that he had in
person, inspected the
proposed line, and consid-
-ed it very desirable.

Resolved, that this
be approved, and the Amil
-dar's estimate be sent

sent to the Executive Engineer for examination and remarks.

VI. Absence of members:— The Amildars of Hunsur and Gundlupet being engaged in Jamabandi work, were unable to attend the meeting. The Amildar of Chamarajnagar reported that the intimation of the date of meeting reached him only after the meeting was over.

Deputy Commissioner and President, Distt and Local Fund Boards.

Letter dated 6th March 1895, No. 983, from the Deputy Commissioner of the Mysore District, submitting the District Fund Budget Estimates of the Mysore Circle for 1895-96.

No. 2446-50—L. F. 146-94, DATED, BANGALORE, 25TH JUNE 1895.

ORDER THEREON.—The receipts for 1895-96 are estimated at Rs. 62,060 against Rs. 57,113, the actuals of 1893-94, and Rs. 56,578, the sanctioned estimate for 1894-95. The actuals of 76 per cent of the one anna cess during 1893-94 being only Rs. 49,179 the estimate under the head will be reduced from Rs. 54,644 to Rs. 50,000. The other items are approved.

2. The anticipated opening balance is given as Rs 30,900, which will be reduced to Rs. 25,353, the closing balance for the year 1894-95 as entered in Proceedings, dated 2nd October 1894, No. 5797—L. F. 229-93. Including the latter amount the sum available for expenditure in the coming official year is Rs. 82,769. But the proposed expenditure exceeds this sum by Rs. 5,264 and should therefore be reduced.

3. Under "Civil charges," the sum of Rs. 24 provided to meet the contingencies of the District Office Clerk is passed. The amount shown under "Medical Scholarships" will be reduced to Rs. 209. The estimate proposed on account of the indigenous Hospital, for the Pandit of which an increase was sanctioned in Government order No. 10127-9—L. F. 79-92, dated 20th December 1894, has wrongly been entered under the District Fund Budget; for, the cost is chargeable to the Mysore City Municipal Funds and to Local Funds General. The necessity for repetition in the present Budget of a provision of Rs. 93 on account of extra diet charges for Hunsur, Nanjangud and Gundlupet Dispensaries should be explained. The correct total of the details under "IV Midwife" is Rs. 1,320 and not Rs. 1,340. The former figure will be adopted; but the Deputy Commissioner should have quoted the authority for providing in the present Budget half the cost of one midwife and full cost of the others. The correct total of the provisions for sweepers of bungalos, &c., is Rs. 2,760 and not Rs. 3,000 as entered. Probably there is an omission of certain items in the Hunsur Taluk. The Deputy Commissioner is requested to state if this is the case.

The allotment for reserve of Rs. 2,000 made in the list of original works and of a further sum of Rs. 2,010 under "Repairs" will be transferred to the head "V Reserve," from which no expenditure should be incurred without special sanction. mileage allotment for the total length of the Bangalore-Mysore road was Rs. 67 but in the present Budget a sum of Rs. 200 is provided for $1\frac{1}{2}$ miles lying within Municipal limits. The necessity for the higher rate should be explained, and the sum payable to the Municipality on account of the repair of District Fund roads within Municipal limits should be shown not under "Public Works" but under "Civil Charges". The amounts thus requiring transfer together with the names of roads should also be specified. The establishment charges amounting to Rs. 10,000 are stated to have been entered at $2\frac{1}{2}$ per cent on the cost of works, *viz.*, 46,185. Probably the figure $2\frac{1}{2}$ is an error for 21. The Deputy Commissioner is requested to state if this is the case; if not the estimate has to be reduced to Rs. 1,150.
